Scholar All articles - [Recent articles](#) Results 1 - 10 of about 27,500 for material requirements planning (batch OR lot)

Did you mean: [material requirements planning \(batch OR plot\) sequencing combining](#)

HEURISTIC LOT-SIZING AND SEQUENCING RULES IN A MULTISTAGE PRODUCTION-INVENTORY SYSTEM

JR Biggs - Decision Sciences, 1979 - Blackwell Synergy

... production-inventory system using Material Requirements Planning (MRP ... Materials flow upward, either directly from lower ... to use the net requirements schedule of ...

Cited by 37 - [Related Articles](#) - [Web Search](#)

The capacitated lot sizing problem: a review of models and algorithms - all 3 versions »

B Karimil, SMT Fatemi Ghomi, JM Wilson - Omega, 2003 - Elsevier

... In particular, they discussed hierarchical planning, material requirement(s) planning ... items and the whole planning horizon ... number of period requirements which a ...

Cited by 63 - [Related Articles](#) - [Web Search](#)

... based mrp: an integrated approach to production scheduling and material requirements planning

N Hastings - Journal of the Operational Research Society, 1982 - JSTOR

... with a specific product (or end-item) lot, or customer ... produced for different end items; (c) batch splitting; (d ... ORLICKY (1975) Material Requirements Planning. ...

Cited by 31 - [Related Articles](#) - [Web Search](#)

Optimization approximations for capacity constrained material requirements planning - all 3 versions »

AR Clark - International Journal of Production Economics, 2003 - Elsevier

... 1998) have presented lot-sizing models ... retaining explicit modelling of setup sequencing. ... model, called capacitated material requirements planning (CMRP), is ...

Cited by 11 - [Related Articles](#) - [Web Search](#)

REPETITIVE LOTS: FLOW-TIME REDUCTIONS THROUGH SEQUENCING AND DYNAMIC BATCH SIZING

FR Jacobs, DJ Bragg - Decision Sciences, 1988 - Blackwell Synergy

... of small lot production without requiring capacity increases ... control system such as material requirements planning (MRP ... does not alter the release-batch quantity ...

Cited by 58 - [Related Articles](#) - [Web Search](#)

Planning and scheduling in the process industry - all 2 versions »

J Kalirath - OR Spectrum, 2002 - Springer

... be classified as raw materials, intermediates, finished ... Minimum production requirements: Minimum utilization ... batch and campaign planning, - scheduling problems ...

Cited by 67 - [Related Articles](#) - [Web Search](#)

Computationally Efficient Optimal Solutions to the Lot-Sizing Problem in Multistage Assembly Systems

P Afentakis, B Gavish, U Karmarkar - Management Science, 1984 - JSTOR

... at each node whenever a batch is ordered or ... A Study of Multiple Level Lot Sizing Techniques for Material Requirements Planning Systems," Unpublished ...

Cited by 96 - [Related Articles](#) - [Web Search](#)

[PDF] Capacitated Materials Requirements Planning and its Application in the Process Industries - all 3 versions »

EW Schuster, SJ Allen, MP D'Itri - Journal of Business Logistics, 2000 - mitdatacenter.org

... to bills of material, a complete run of the ... The JLM (first level of the planning system) determines ... then uses these recipes to calculate requirements for grape ...

Cited by 9 - [Related Articles](#) - [View as HTML](#) - [Web Search](#) - [BL Direct](#)

material requirements planning (batch OR lot) sequencing combining - Google Scholar

[A genetic algorithm to solve the general multi-level lot-sizing problem with time-varying costs - all 3 versions »](#)

N Deliasari, J Jeunet, N Jonard - International Journal of Production Economics, 2000 - Elsevier

... Genetic material is swapped between two chromosomes to produce a ... t * randomly selected in the planning horizon ... the stream of positive net requirements dates {t 5 ...

[Cited by 33 - Related Articles - Web Search](#)

[PDF] [A survey of lot-sizing and scheduling models](#)

AT Staggermeier, AR Clark - SIMPÓSIO BRASILEIRO DE PESQUISA OPERACIONAL, 2001 - cems.uwe.ac.uk

... times that can be fixed, or vary by product or be sequence-dependent ... The lot-sizing problem arises as part of MRP (Material Requirement Planning) logic ([3 ...
